

Canongate Set

As I cam doon the Canongate
The Canongate, the Canongate
As I cam doon the Canongate
I heard a lassie sing

Weel may the keel row
The keel row, the keel row
Weel may the keel row
The ship ma laddie's in

The lassies o the Canongate
O they are wondrous nice
Thy winna gie a single kiss
But for a double price

Weel may the keel row
The keel row, the keel row
Weel may the keel row
The ship ma laddie's in

One o'clock the gun's gone off
I can wait no longer
If I do my ma will say
I've been playin wi the boys over yonder

My stockings white, my garters blue
My boots all lined with silver
A red red rose upon my breast
And a gold ring on my finger

Weary weary waitin on you
I can wait no longer for you
Three times I've whistled on you
Are you coming out?

Weary weary weary
Weary weary weary
Weary weary weary
Are you coming out?
Weary, weary

Weary, weary
Weary, weary
Are you coming out?
