turkey

It's hauf like a bird and hauf like a bogle	<i>an ugly or terrifying demon</i>
And juist stands in the sun there and bouks .	<i>retches</i>
It's a wunder its heid disna burst	
The way it's aye raxin its chouks .	<i>stretching, cheeks/jaws</i>
Syne it twists its neck like a serpent	<i>then</i>
But canna get oot a richt note	
For the bubblyjock swallowed the bagpipes	
And the blether stuck in its throat.	<i>bladder</i>
