

The Travelling Minstrel Show

Chorus:

Were you there when the travelling minstrel show

Came to Forth School?

Were you there? Were you there?

Were you there? Were you there?

Were you there? Were you there?

Were you there? Were you there?

Were you there when the travelling minstrel show,

Came to Forth School?

Did you see the big brown dancing bear,

When she came to Forth School?

Did you run when she turned and gave a stare,

When she came to Forth School?

Did you see the juggler from the fair,

When he came to Forth School?

He juggled bottles in the air,

When he came to Forth School.

Did you see the silly clown with his big wide frown,

When he came to Forth School?

Fell flat on his face, disappeared without a trace,

When he came to Forth School.

Did you see their funny clothes,

When they came to Forth School?

They wore big things, short things, tight things, baggy things,

When they came to Forth School.

There were moothies, banjos, violins,

When they came to Forth School.

Guitars and drums, accordions.

When they came to Forth School.

We were there!
